

## The 23<sup>rd</sup> International IEEE Conference on Intelligent Transportation Systems

20 - 23 September 2020, Rhodes, Greece

### IEEE ITSS Young Professionals Travelling Fellowship Program 2020

The Institute of Electrical and Electronics Engineers (IEEE) - Intelligent Transportation Systems Society (ITSS) will organize a Travelling Fellowship Program in 2020 for Young Professionals (under 35 years old).

Candidates can send applications (maximum two A4 pages) by 30 May 2020, by proposing potential ITS products and/or mobility services based on novel algorithms or new solutions. Selected Young Professionals will be invited to attend the 23rd IEEE International Conference on Intelligent Transportation Systems on 20-23 September 2020 in Rhodes, Greece, including a special networking event with industry partners. Conference registration fee and (part of the) travel costs will be reimbursed by IEEE ITSS. Selected young professionals will receive certificates during the ITSC 2020 opening ceremony.

#### Application requirements

**A short essay, proposing potential ITS products and/ or mobility services based on novel algorithms or new solutions. The length shall be a maximum of two A4 pages.**

The essay shall address the following elements, and especially focus on the novelty of your idea:

- Which challenges are you targeting?
- What are current solutions and their drawbacks, or why is there currently no (good) solution?
- What is the merit of your proposed approach, product or service?
- What is the technology readiness level for application?
- Are there any related publications and/or patents? If so, please provide relevant references.

#### Optional:

In addition to the essay, applicants can attach a short biography (in a separate file), presenting their main activities in ITS.

#### Submission of applications

Submission of applications will be done by sending an e-mail to Dr. Meng Lu and Dr. Evangelos Mitsakis.
